February 2012

Hi Everyone,

We have completed the first half of the school year. It seems like yesterday that we were having delayed openings for hurricanes and early snow days. Now, with peaceful weather we are enjoying good progress in our students. We have just delivered the winter universal screening for reading. We are in the process of analyzing the results to see if our children are demonstrating adequate progress.

Our second grade students have a new trip this year. Each class is going to a professional gym as a culmination of their gymnastics unit at PQ. Please see the photos on our web page.

Valentine's Day and the 100th Day of School are quickly approaching. We are currently on track for Valentine's Day on February 14th and the 100th Day of School on February 15th.

As a reminder, kindergarten screening is the week of February 6-10. If you cannot come during this week please contact Jean Jerussi at 914-669-5317, ext. 3056. We are most eager to know the size of our new kindergarten so that we may plan for staffing.

On February 27th, John Farrell will entertain our students. We thank the PTO for providing this enrichment for our students. Their support of the arts has been outstanding.

Have a great month.

Roberta
