Within a few weeks I will respond with the name and address of your new pen pal! I will also include tips for letter writing and how to get started.

My name is Phoebe, I am a junior in high school in New York and I have been a Girl Scout since kindergarten. I am currently working on my Gold Award project, which is this pen pal program. The Gold Award is the highest honor a Girl Scout can receive. I decided to create this pen pal program because last summer I biked across the country and I realized how large and diverse the United States is and how many wonderful people there are. I would like for you to realize this too through getting to know someone of a similar age and the same gender that lives in another part of the USA. Happy letter writing!
