

Dear First Grade Parents,

On **March 20**, the award-winning author David Adler will be visiting the students in first grade. David has been writing fiction and non-fiction for young readers for over thirty years. He is most well known for his Cam Jansen mysteries and the picture book biographies series. The classes will be reading and discussing Mr. Adler's books. Please ask your child about this program. If you wish to purchase books to be autographed to your child, or as a gift to someone else, please check off the books you would like and fill in the information below.

A Picture Book of Harry Houdini ----- **\$7.00** _____ = \$ _____

A biography of the famous magician Harry Houdini who astounded audiences around the globe when he freed himself from ropes, handcuffs, and prison cells.

Time Zones ----- **\$8.00** _____ = \$ _____

Adler offers a simple but thorough explanation of time zones and why people experience different parts of the day simultaneously depending on their location around the globe.

Mama Played Baseball ----- **\$16.00** _____ = \$ _____

Featured in the 1992 film "A League of Their Own," this is the compelling story of a young girl growing up during World War II, whose father is away fighting in the war and whose mother becomes a baseball player for the All-American Girls Professional League.

The Babe & I ----- **\$7.00** _____ = \$ _____

In this picture book set during the Great Depression, a young boy goes to work selling papers in order to help support his family. The boy works hard but business improves even more when the boy gets some help--from legendary slugger Babe Ruth.

Young Cam Jansen and the Lost Tooth Mystery (early reader)----- **\$4.00** _____ = \$ _____

Cam Jansen uses her photographic memory to find Annie's lost tooth.

Bones and the Dog Gone Mystery (early reader)----- **\$4.00** _____ = \$ _____

Bones falls off the swing set and loses his special detective magnifying glass and detective bag. Worst of all, where is Curly the detective dog? Detectives are supposed to find things and Detective Jeffrey needs to get on the case.

Cam Jansen and the Sports Day Mysteries (early chapter book)----- **\$6.00** _____ = \$ _____

It's Sports and Good Nutrition Day for the fifth grade at Cam Jansen's school! Cam and her friends are going to the park to run races, play soccer and baseball, and have a picnic lunch. But when three different mysteries occur, Cam is going to have to click her way into solving them and saving sports day.

Cam Jansen and the Green School Mystery (early chapter book)----- **\$4.00** _____ = \$ _____

Cam Jansen's school is going green. For each can or bottle Cam and her classmates bring in to be recycled, the school earns a nickel. But when all the nickels go missing, everyone suspects they were stolen. Can Cam *click!* and use her photographic memory to solve this mystery?
