# HIGH SCHOOL CLUBS / ACTIVITIES

**CLUB/ACTIVITY NAME:**

**ENVIRONMENTAL CLUB: Mr. Scott Lenhart**

**Objective:**

The Environmental Club will devote its efforts to making the Middle/High School a “greener” place. Whilst accomplishing the initial goal of making our school more environmentally friendly, we will work with the elementary school to help the youngsters learn about ways to be eco-friendly. We hope to work with the community to help increase town awareness of environmental problems.

**Proposals:**

- Get recycling bins for bottles
- Encourage recycling
- Work with middle school to set up a recycling program
- Encourage the use of travel mugs and reusable lunch bags
- Advise the use of environmentally friendly products, such as toxic-free whiteboard markers and cleaning products
- Work with the cafeteria in promoting a more eco-friendly lifestyle, including the recycling of used salad containers and Styrofoam trays
- Ask the cafeteria to offer a discount if students come with their own mugs
- Stop the use of plastic wrap with muffins and replace with tongs
- Raise money to support the changes we want to make
- Organize volunteer projects through the school and the community to benefit the Environmental Club and the environment
- Provide the school with facts about the environment; provoking and supporting students and faculty to change their lifestyles

**Advisor(s) Role:**

To support student efforts to promote a “greener” North Salem Middle/High School

**Membership Requirements:**

Open to all

**Activity Duration:**
