The Advocates for The Arts Wants You!

If you are a person who believes in the importance of the arts and are willing to support the young artists the group called the Advocates for the Arts is for you.

They help hang art shows, attend and work at concerts, support the drama productions and musical and even organize fund raisers to support all the arts at all levels.

Present members include Jayne Silverblade, Alison Hublard Hershman, Susan Moyer, Kate Bartsch, Dr. Melissa Abramo, Jay Krass, Barbara Davis, Donna Caramus, and Dr. George Bovino. We also have high school student representatives in the group.

If you have interest, please call Dr. Bovino at the MS/HS to get more information and the date of the next meeting.
