Vision: The North Salem Central School District will be a model public school district, identified by its focus on the development of students of all abilities. Most of all, it will produce motivated and competent learners, capable of solving the intellectual, emotional and ethical problems they encounter, and of reaching their personal goals.

All stakeholders – students, parents, faculty, staff, administration, Board of Education, community – will share responsibility for student development. In their respective roles, they will exceed expectations through a process of continually: setting challenging goals and plans, executing them with promptness and innovation, measuring and evaluating the results, recognizing performance, and improving.
